Description

The Provisional License is a NASDTEC Stage 2 License. "Stage 2 Teacher License" means a license issued to an individual who holds a minimum of a Bachelor's degree, has completed an approved teacher preparation program, but has not met the jurisdiction-specific requirements for a Stage 3 license.

For teachers who have completed a teacher preparation program and meet basic skills and content knowledge requirements but do not hold a license in any state. Effective July 1, 2015, this will be the initial license issued to all educators who have less than three years of contracted, full time teaching experience.

Provisional License

The Provisional License is a three year non-renewable license.
